

# Guide d'utilisation d'ODOO

## 1. Telecharger Tor selon votre système d'exploitation

## Connect

When you start Tor Browser, you will see the Connect to Tor window. This offers you the option to either connect directly to the Tor network, or to configure Tor Browser for your connection. Toggle on "Always connect automatically" to allow Tor Browser connect to the Tor network automatically with the previously saved connection settings, everytime the browser is launched.

## 2. Copier le lien du bouton accepter l'invitation et copier sur le navigateur Tor

The screenshot shows an email from Odoo. At the top, it says "Agh Data Agency Holding SA" and "À : vous". The date is "Ven 2025-10-31 22:01". Below the recipient's name, there is a small icon of a person with a checkmark. To its right, it says "Bienvenue sur Odoo" and "Bilgassim". On the right side, there is a logo for "Agh Data Agency Holding SA". The main body of the email starts with "Bonjour Bilgassim," followed by "Vous avez été invité(e) par Administrator de Agh Data Agency Holding SA à vous connecter sur Odoo.". A purple button labeled "Accepter l'invitation" is visible. Below the button, it says "Ce lien restera valable pendant 6 jours", "Votre domaine Odoo : <http://42hlpfl3m4mttslfv fsm6o65bh5qddg6hcdgg56bfk5kjoam4qxdg5qd.onion>", and "Votre adresse e-mail de connexion : [topen.for.working@gmail.com](mailto:topen.for.working@gmail.com)". It continues with "Vous ne connaissez pas encore Odoo ? C'est un logiciel professionnel tout-en-un, utilisé par plus de 7 millions d'utilisateurs. Il vous permettra d'améliorer votre expérience de travail et d'augmenter votre productivité." and "Jetez un coup d'œil à notre [Tour Odoo](#) pour découvrir l'outil." It ends with "Profitez bien d'Odoo !". At the bottom, it says "L'équipe Agh Data Agency Holding SA".

### 3. Coller dans le navigateur tor et mettre vos identifiants
